## VCET SPORTS COMMITTEE

The Sports Committee of VCET is responsible for organising the events such as the Sports Fest, AVAHAN, etc. It gives an opportunity to students as well as teachers to show their enthusiasm, spirit and team-work. The back bone of this committee is the students of the college who thrive each year to organize this Sports Extravaganza.

# AVAHAN

'AVAHAN' is the Sports festival organized by the Vidyavardhini's College of Engineering & Technology. It's a 10 day sporting event featuring numerous indoor & outdoor games, an intercollege youth event engulfed in sportsmanship strategy and determination.

We aim at culminating 10 days of our sports celebration (festivities) into grandeur of enthusiasm and thrill, Goosebumps and the sounds of victory, strategy and skill.
